

THE ATTORNEY REFERRAL OPPORTUNITY

Referrals in the cases you actually want.

Attorney.plus sends you matched clients in the exact practice categories you choose — the referral fee shown up front, no per-click guessing, no mystery pricing.

Free to join · Pay only for referrals you accept

You choose the cases

Opt into any of 100+ categories across 19 practice areas. Change your mix anytime.

Transparent flat fees

Every category shows its referral fee before you commit. Set your minimum; bid higher for more volume.

Two referral streams

Direct matches from the client finder, plus pre-qualified leads that completed our arbitration funnel.

You stay in control

No client PII until you accept. You approve every match. No retainers, no subscriptions.

How it works

1

Create your free account

Set up in two minutes — no card required.

2

Pick your categories

Choose your case types and see the fee for each.

3

Get matched

When a client in your area picks your category, the referral reaches you in real time.

4

No PII until you accept

You see the category, area, and matter type — never the client's identity — until you take the referral.

Higher-intent by design

Post-arbitration clients have already committed to resolving their matter. They're ready to hire.
